

# WEBSITES

**BUILDING BEAUTIFUL WEBSITES  
DESIGNED TO CONVERT**

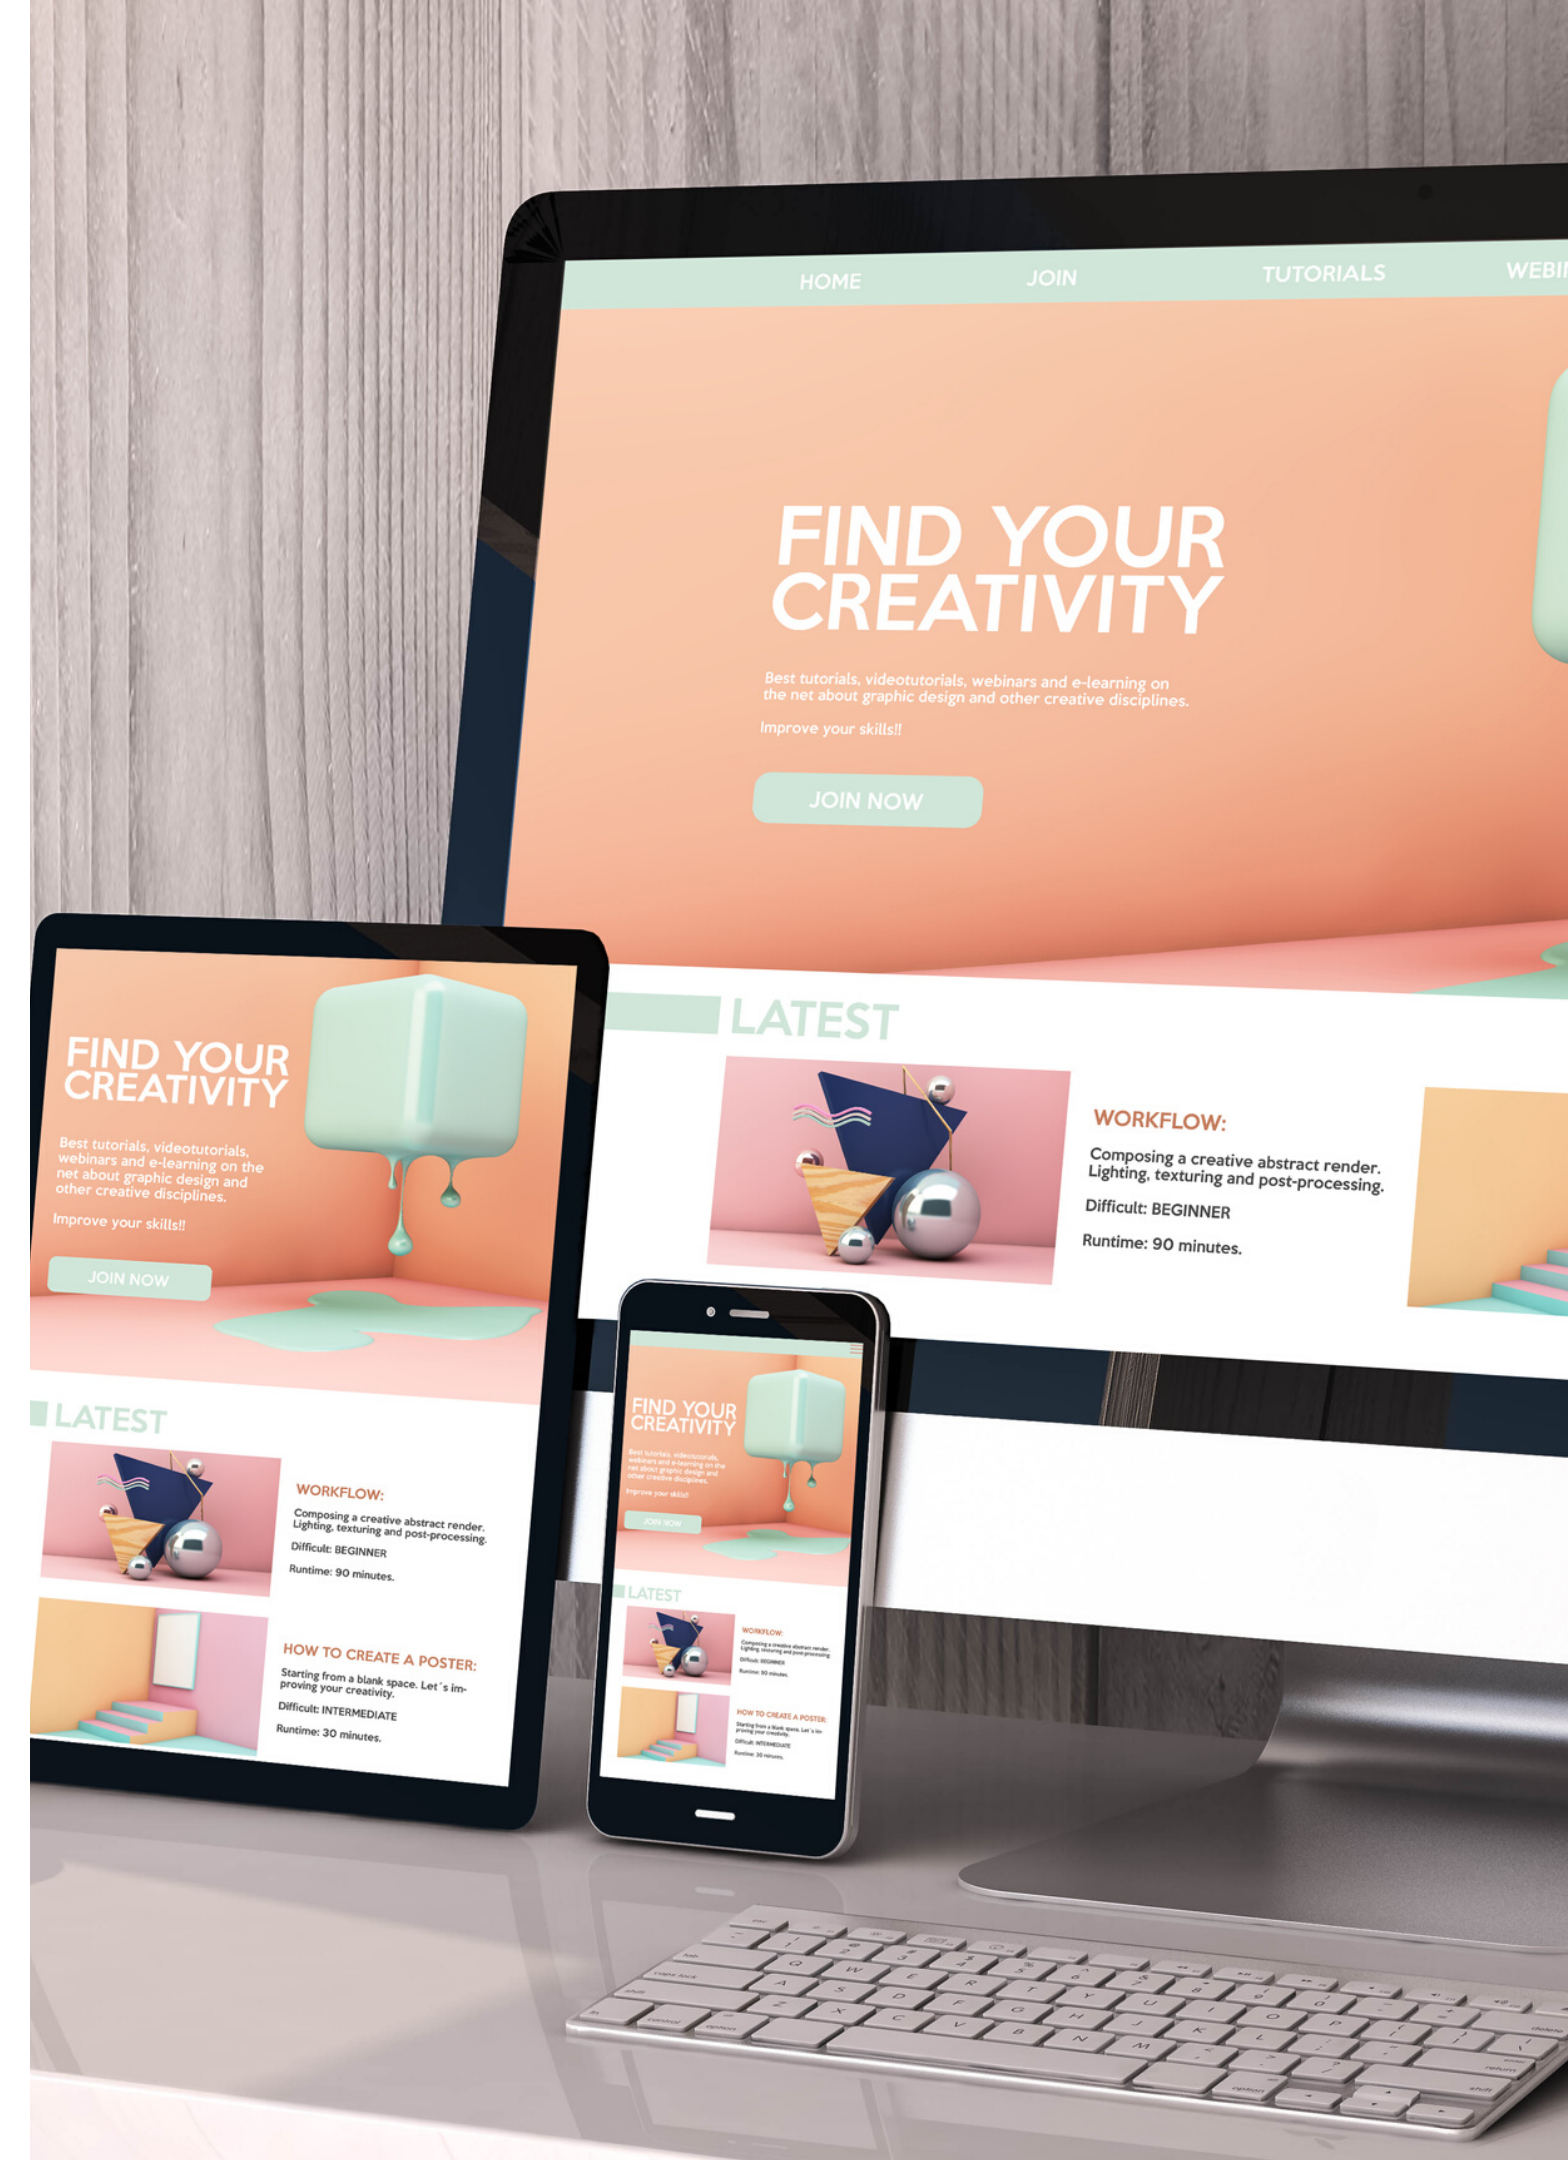

# OVERVIEW

Get a website that is 100% tailored to the business. Take advantage of social media streams, photo galleries, banners, and more!

## CURRENT ISSUE

Without a proper web presence, you are missing out on one of the simplest and most effective ways to connect with established customers and attract new ones.

## OUR SOLUTION

Our talented website team works directly with you to create a website powered by WordPress that best represents your business, products, and services.

Maintenance, security, and updating are all included.

# HOW IT WORKS

---

**You choose the website package you want (1-3 pages, 4-5, or 6-10). Some pages examples are:**

**Home, About Us, Products and/or Services, Map; Directions, Contact Us, and a Thank You page (to appear after an inquiry is submitted).**

**We will work with you to customize the colors, photos, logos, and other artwork on your website.**

# WHY OUR SITES ARE THE BEST

---

- **Exceptional customer service.** We work with local and internet businesses to create a professional and accessible online presence.
- **Eye-catching design.** A consumer's first impression of a website is 94% design-related. We'll build you a compelling website that leverages the key elements of modern design.
- **Mobile-responsive.** Every site we build is optimized for mobile devices both big and small.
- **We will work with your client to customize the colors, photos, logos, and other artwork on your website**
- **E-commerce available for 10-page websites and above only.**

# PACKAGE 1

---

- Includes a WordPress responsive website with primary navigation that includes 3 pages of your choosing: Home, About Us, Products and/or Services, Map & Directions, Contact Us, and a Thank You page (to appear after an inquiry is submitted).

# PROJECT TIMELINE

---

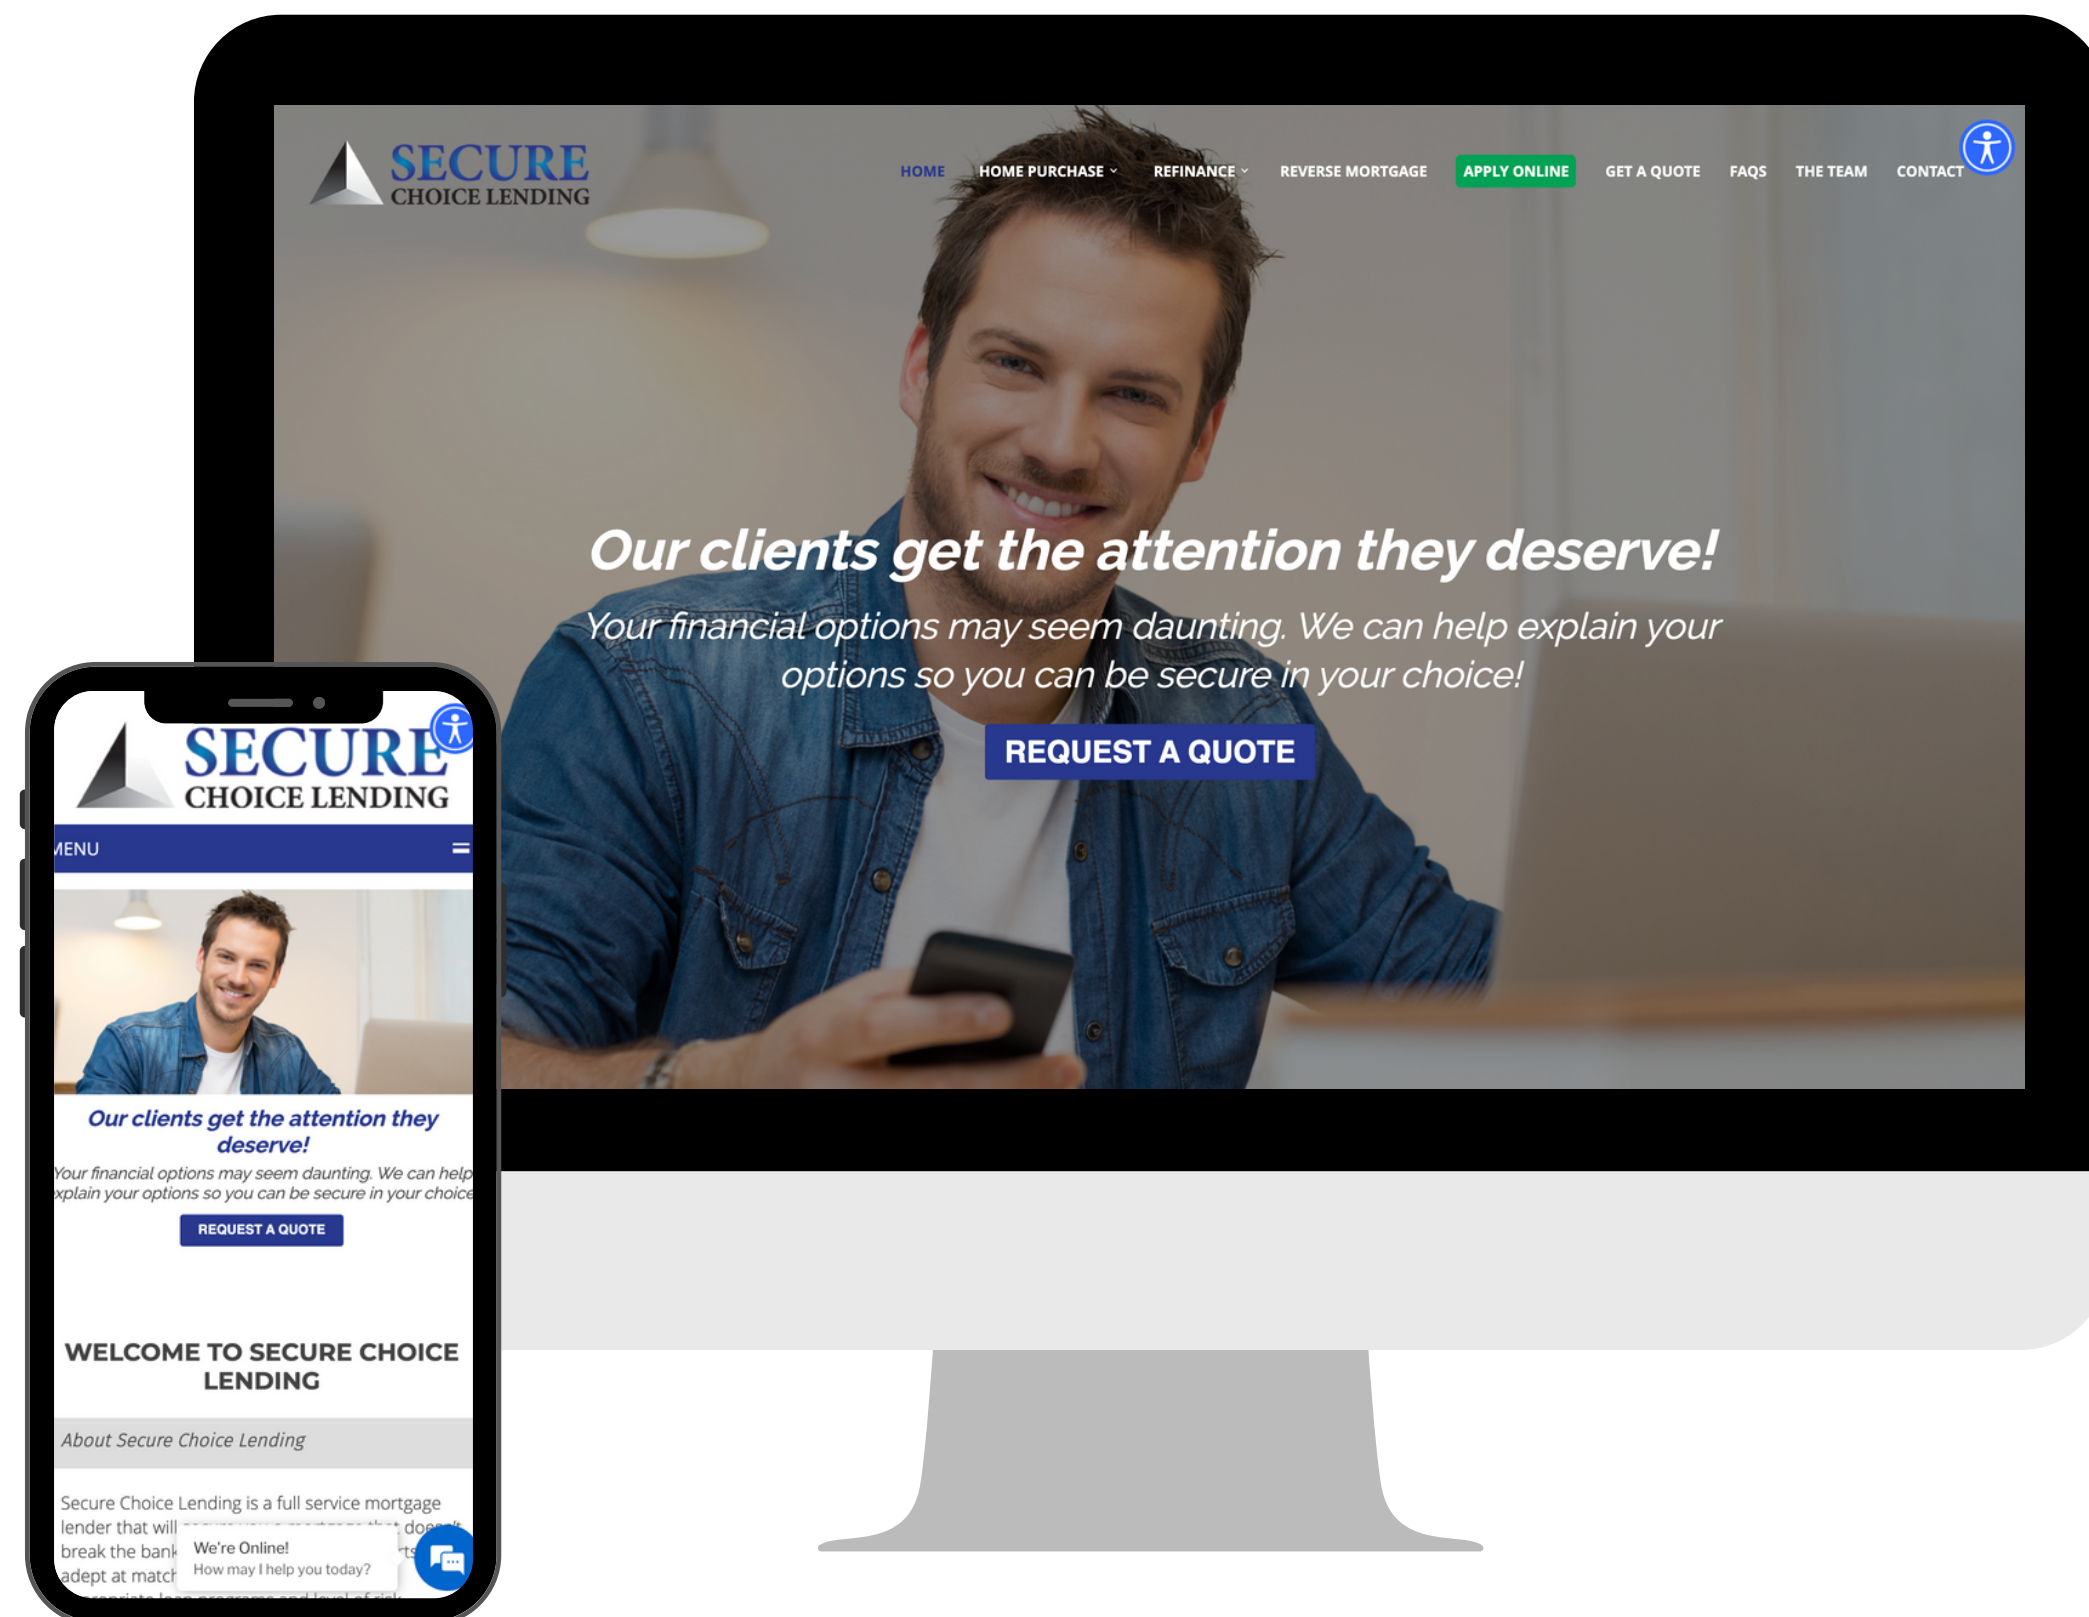

Once initiated, we will begin reviewing the website information and plan your site design. Usually within a week we will schedule a call with you (if needed) to get more details. Website completion is generally within 3-4 weeks.

# OUR RESULTS

We have created hundreds of responsive websites for our clients. Here is a link to a few examples of the different package.

---

## NEXT STEPS

- 1 - Agree on a timeline
- 2 - Complete agreement and payment
- 3 - Give us the details on all of our onboarding questions

- 4 - Schedule a call (if needed)
- 5 - We draft up the website and send to you for any revisions
- 6 - We make changes as needed and deploy the site
